

Membership Renewal Information

If your current password information is on file with NBS you will receive an automated email notice 90 and 30 days prior to your membership expiration date. Here is an example of the notice you will receive.

Dear member,

This is an automated reminder from the National Button Society members website. Your membership dues for NBS are due by Oct. 31.

To renew or update your membership online log in to your profile at

<http://members.nationalbuttonociety.org/Content/Members/MemberProfile.aspx> with your email member@email.address and password and follow the suggested actions on your profile screen. You may also renew by sending a check and the renewal form included with your bulletin to Susan Porter, NBS Secretary.

Don't know your password or haven't set one yet? Reset it here <http://members.nationalbuttonociety.org/Sys/ForqottenPasswordRequest>

If you are not receiving these automated email notices from our members only site your email address in our database is not current or missing. Please send your current information to our membership chair.

If you have successfully connected to the members site using your email address and password you can check your membership expiration date at any time by logging on and selecting your profile.

Click on view profile in the upper right corner of the page.

On your profile page note your renewal due date. Also note that you can click on the “Renew until” button to renew for the next renewal period.
