

SO NICE TO SEE YOU!
SORRY, BUT I'VE FORGOTTEN YOUR NAME!
Creative Challenge #5 – Lanyard & Name Tag

Yikes!!! Has this ever happened to you? There you are at an NBS show and you see someone you **know** that you **know**. But what the heck is their name? Your memory...well that's another story. Don't let this happen again to you or the people you love. **Make a fabulous name tag and lanyard.** When people see your name fabulously displayed, they WILL remember! The idea will spread. Soon all of buttondom will have their real names back, not just Honey, Sweetheart, Sugar, Doll. And it will be all because of **YOU** and **YOUR MEMORABLE NAMETAG.**

Design your name tag and lanyard as if they are meant to be worn again and again. They are. Whenever you go to a button show, wear them proudly. Create them out of unexpected materials; licorice and your hopes and dreams perhaps? We guarantee you will be remembered and of course, be an inspiration to us all.
